We are delighted to share the joyous moments from our recent cultural exchange event that took place on January 17, 2024, welcoming students from Tunas Mekar Junior High School. The event was a remarkable opportunity for our students to showcase their learning styles and engage in meaningful cultural exchange activities.

Our Academic Director, Miss Serina, and Principal, Miss Roquia, had the pleasure of engaging in a dynamic exchange of ideas and experiences with Mr. Budi Purnomo Ad, Tunas Mekar's Academic Advisor, and Principal, Mr. Fiernando Septiawan.

## A Day of Cultural Learning

The event proved to be a fruitful day for both teachers and students alike. The exchange allowed for a deep exploration of different cultures and provided a unique opportunity to mingle with students from a different country. Beyond the performances, there were meaningful interactions that fostered understanding and friendship.

We extend our heartfelt gratitude to Tunas Mekar Junior High School for their enthusiastic participation and commitment to cultural exchange. These experiences contribute significantly to our students' holistic development, fostering a global perspective and appreciation for diversity.
