

## Hari Raya

Celebration | 26 April 2024

**Celebrating Diversity:** At our school, we cherish and celebrate the rich tapestry of cultures that make up our community. In a heartwarming display of inclusivity, we joyously embraced Hari Raya, a significant cultural and religious festival for our Muslim students.

Our recent celebration witnessed a delightful blend of cultures as our esteemed CEO, Dr. Rom Muslim, and our founder's wife, Madam Michelle from Korea, graced the event. Their presence added a special charm, symbolizing unity and collaboration across borders.

Their presence added a special charm, symbolizing unity and collaboration across borders. It was heartening to see them immerse themselves in the festivities, exchanging smiles and laughter with students and staff alike. Their genuine enjoyment highlighted the beauty of cultural diversity and reinforced our school's commitment to fostering an inclusive community where everyone feels welcomed and valued.

## CULINARY DELIGHTS

Our school indulged in a feast of traditional delicacies, including lemang, rendang, and ketupat. The aroma of these exotic dishes delighted the senses, offering a culinary adventure for our international students.

## FASHION FIESTA

The runway came alive as students flaunted their best attire in our fashion show. The competition was fierce, but the creativity and elegance on display were unmatched.

## KARAOKE EXTRAVAGANZA

Students showcased their talents in a spirited karaoke session, with winners bringing home well-deserved accolades. Laughter and music filled the air, creating unforgettable memories.

# From Heart to Hand: Crafting Personalized Raya Cards with Meaning

We are delighted to share with you the highlights of the Raya Card Competition held as part of the UUMISM Raya Celebration 2024 last week.

The competition, which took place on April 23, 2024, showcased the exceptional creativity and talent of our students from Year 7 to Year 10.

The competition provided a platform for students to express their artistic skills and celebrate the joyous spirit of Raya through unique and meaningful card designs.

Participants poured their hearts into creating Raya cards that reflected the cultural richness, traditions, and values associated with the festive season.

## ENGLISH & MATHS CHALLENGE 2024

### UUMISM ENGLISH AND MATHS CHALLENGE 2024

On April 27th, 2024, UUMISM International School hosted the English and Maths Challenge 2024, marking a significant milestone in our commitment to academic excellence and student empowerment. The event witnessed an overwhelming response, with primary school students from across Malacca enthusiastically participating.

The challenge had two main objectives: to enhance the English and mathematics skills of primary school students and to offer scholarships to continue their education at UUMISM International school.

*Primary school students from Malacca eagerly participated in the UUMISM English and Maths Challenge 2024, showcasing their enthusiasm for learning and academic excellence.*

### EMPOWERING PRIMARY STUDENTS FOR SUCCESS

Deputy Speaker of the Melaka State Legislative Assembly YB Kerk Chee Yee hosted the competition's opening ceremony.

During the event, he emphasized the importance of English and mathematics in shaping students' academic and professional success. His words of encouragement deeply resonated with participants, highlighting the value of mastering these essential subjects.

YB Kerk Chee Yee (third from left) with Principal Mrs Roquia (left) and founder Mr David Jeong (second from left), academy director Mrs Serina (right), CEO Dr Rom (second from right) hosted the competition's opening ceremony.

After the opening ceremony, YB and school leaders engaged in discussions on future development and educational issues, fostering collaboration for student success.

Engaging in constructive dialogue, they explored strategies and initiatives aimed at enhancing student learning experiences and fostering holistic development.

## OUR MISSION !

UUMISM International School is committed to empowering students and promoting academic excellence. Initiatives such as the English and Maths Challenge are aimed at inspiring young minds, nurturing talent, and preparing students for success in a highly competitive global environment.

## NUTRITION BREAKFAST

Breakfast nutrition class for our Year 8 and Year 9 students was an exciting exploration into the realm of healthy breakfast options. With an emphasis on both taste and nutrition, students delved into the art of preparing meals that not only tantalize the taste buds but also provide essential vitamins and minerals for a strong start to the day.

Guided by our dedicated instructors, students not only learned about the nutritional value of each ingredient but also acquired practical cooking skills to ensure that the goodness of these foods was preserved during preparation. From mastering the grill for perfectly cooked chicken breast to mastering the art of tossing salads, they gained confidence in the kitchen while learning to create meals that are as nutritious as they are delicious.

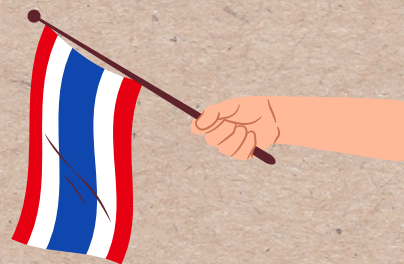

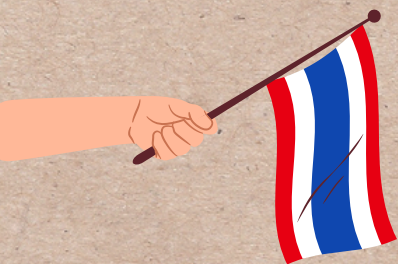

The menu was carefully curated to include a variety of nutrient-rich ingredients. From succulent chicken breast to an assortment of fresh berries, crisp salad greens, whole-grain toast, and invigorating fruit smoothies, every item on the menu was selected to offer a balanced blend of flavors and health benefits.

One of the highlights of the class was the creation of vibrant fruit smoothies. Using a variety of berries, students whipped up refreshing blends bursting with antioxidants and essential nutrients. This hands-on experience not only reinforced the importance of incorporating fruits into one's diet but also provided students with a tasty and satisfying way to boost their intake of vitamins and minerals.

## UUMISM Welcomes Thai Students for Trial Class Experience

On April 24th and 25th, UUMISM International School warmly welcomed four students from Thailand for a trial class experience.

During their two-day trial, they engaged with our International Secondary School curriculum, gaining valuable insights into our academic programs and extracurricular activities. Inspired by their experience, the Thai students expressed a keen interest in continuing their secondary education journey at UUMISM.

We are delighted to have provided them with a glimpse of the enriching opportunities available at our school and look forward to potentially welcoming them as part of our diverse student community.
