

# CELEBRATING SUCCESS AT UUMISM ENGLISH AND MATH CHALLENGE

## NEWSLETTER

ISSUE 16 / MAY 2024

The last two weeks concluded UUMISM English and Math Challenge 2024 was a resounding success, with students showcasing their skills and talents in these key subjects.

Among the participants, **a total of 13 outstanding winners emerged, showcasing exceptional proficiency in English and mathematics.**

Beyond the thrill of victory, these winners were awarded more than just trophies and certificates. UUMISM is proud to announce that each of these 13 winners has been granted a special scholarship.

This scholarship opens the door for these talented individuals to pursue their secondary education at UUMISM, offering them a pathway to experience the enriching environment of an international middle school.

## Offer Scholarship

At UUMISM, we believe in recognizing and nurturing talent. The purpose of this competition extends beyond academic excellence.

It aims to provide opportunities for outstanding students to excel further in their educational journey. By offering scholarships, we hope to encourage these bright minds to continue their efforts and pursue excellence in their studies.

## Embracing Excellence

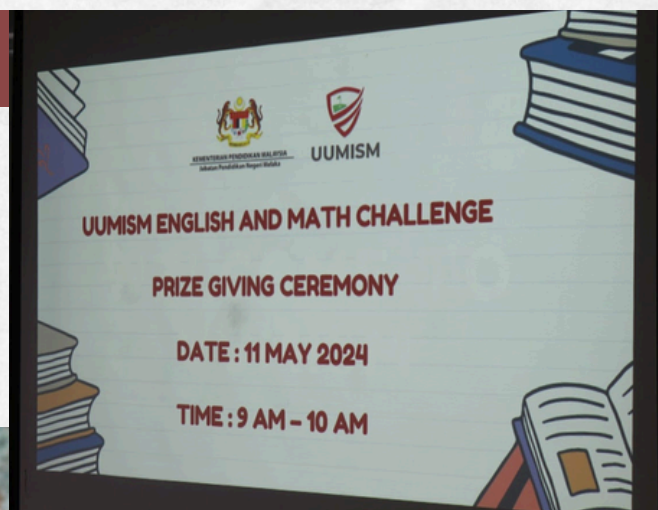

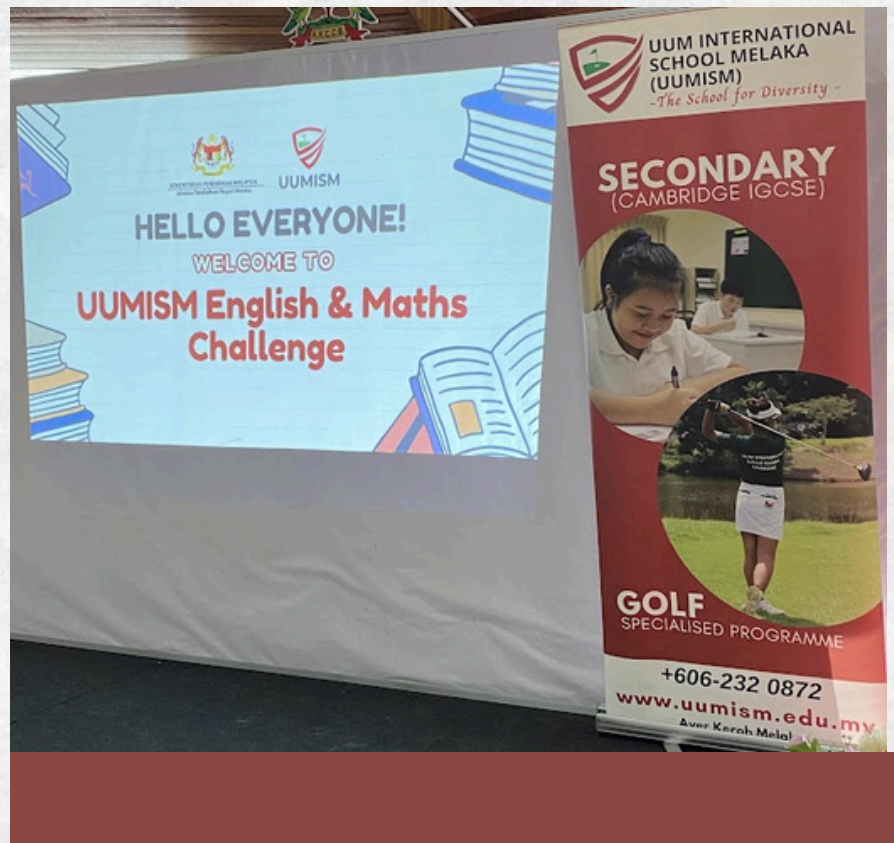

We extend our heartfelt congratulations to all the winners of the UUMISM English and Math Challenge 2024. Your achievements serve as a testament to your hard work and dedication. We look forward to welcoming you to our international secondary school and witnessing your continued success in the years to come.

During the UUMISM Mathematics and English Challenge at UUMISM International School, Ayer Keroh State Assemblyman **Teh Yee Cheu** highlighted the crucial role of English in facilitating effective communication on a global scale.

The competition serves to assess students' proficiency in English and Mathematics, with the ultimate goal of offering scholarship opportunities for international secondary education.

He mentioned that analytical and logical thinking can be applied in daily life, helping us systematically solve problems and develop methods to prevent their recurrence.

# IGCSE MAY/JUNE 2024 EXAM SERIES

## Celebrating Our Students' Hard Work

As the May–June 2024 IGCSE exam series nears its conclusion on June 13th, we want to acknowledge the incredible effort our students have put in since the end of April. Their dedication and perseverance through weeks of preparation and exams are truly commendable.

### Celebrating Hard Work

From the moment the exam timetable was released, our students have immersed themselves in rigorous study and preparation. Countless hours have been spent revising, attending extra classes, and participating in study groups. This commitment to their education is truly commendable and deserves recognition.

Our teachers and staff have also played an integral role in supporting the students, offering guidance, resources, and moral support. Their unwavering dedication has been instrumental in helping students navigate this challenging period.

### Wishing You Success

We extend our heartfelt good luck to all our students as they complete their final exams. Your hard work and determination have been inspiring. Stay focused and confident—you have the support of the entire school community.

### Looking Ahead

Regardless of the results, be proud of your efforts and know that this experience is a significant step in your academic journey. We are proud of you all and look forward to celebrating your achievements.
