SELANGOR INTERNATIONAL JUNIOR GOLF CHAMPIONSHIP

12-15 June 2024

State executive councillor for youth and sports development **Najwan Halimi** (second from left) and Selangor State Secretary **Datuk Haris Kasim** (second from right) with the South Korean women's champions during the Selangor International Junior Golf Championship at the Seri Selangor Golf Club in Damansara, Petaling Jaya, on June 15, 2024

123 JUNIOR TALENTS from 12 countries will battle for team and individual glory in this week's highly anticipated third edition of the Selangor International Junior Golf Championship, which starts on Thursday at Kelab Golf Seri Selangor.

For the first time, the World Amateur Golf Ranking event will feature players from **Australia, Bangladesh, and the United Arab Emirates**, who will join their peers from **South Korea, China, Philippines, Thailand, India, Singapore, Indonesia, Chinese Taipei, and Malaysia**.

Players aged between 12 and 18 will compete over 54 holes in separate boys' and girls' divisions, with each featuring individual and team events.

Once again, the boys' individual champion will earn a priceless opportunity to compete in the Asian Development Tour's PKNS Selangor Masters, a professional event which takes place the following week at the same venue.

A total of four players from UUM International School Melaka competed in the tournament, securing an impressive 5th place in the group category.

Congratulations to our dedicated golf team members: **Anis Dylan Sinno, Declan Ooi, Kim Beomgyu, and Iqmal Hakimi!**

UUMISM student, Anis Dylan Sinno takes a swing during the Selangor International Junior Golf Championship at the Seri Selangor Golf Club in Damansara, Petaling Jaya, on June 15, 2024

Sponsored by the Selangor State Government, the Selangor International Junior Golf Championship is **organized by UUM International School Melaka (UUMISM) in collaboration with the Malaysian Golf Association (MGA).**

PKNS Golf Management Services is the event promoter and also manages Kelab Golf Seri Selangor.

TRIP

AFTER IGCSE EXAMS

**A GLIMPSE INTO
FUTURE EDUCATIONAL
OPPORTUNITIES**

**EXPLORING SUNWAY
UNIVERSITY**

**BUILDING
ASPIRATIONS AND
GOALS**

In an exciting educational initiative, Year 9, Year 10, and Year 11 students from UUM International School Melaka are set to embark on an enriching visit to Sunway University and Monash University campuses in Kuala Lumpur.

This trip, scheduled to take place after the completion of their IGCSE exams, aims to provide the students with valuable exposure to the diverse range of courses and fields of study available at these renowned tertiary institutions.

Inspiring Career Journeys: A Three-Day Event

UUMISM International School recently hosted a three-day Career Day event for our Year 9, 10, and 11 students, **from 24th to 26th July 2024**. We invited a diverse group of professionals to share their career journeys, qualifications, and insights, providing our students with a broad spectrum of career possibilities.

Dr. Ahmad Maujad Ali

*Board Certified Cardiologist, Oriental Melaka
Straits Medical Centre*

Dr. Ahmad captivated our students with his journey to becoming a cardiologist. His dedication and achievements in the medical field inspired many to consider a career in medicine. The session was both informative and motivational, leaving a lasting impact on our aspiring medical professionals.

Our first day featured two distinguished speakers:

Mr. Hassan Bin Abdul Motalip

*Dean and Lecturer in Media Technology in Film &
Broadcast, International College of Yayasan
Melaka (ICYM)*

Mr. Hassan shared his inspiring career journey in the film and broadcast industry, highlighting his academic path and professional experiences. His session provided valuable insights into the world of media and broadcast, encouraging students interested in this dynamic field.

Day 2: Diving into Technology and Aviation

Dr. Tay Siok Wah and Dr. Goh Pey Yun

Lecturers, Multimedia University (MMU)

Specializing in Artificial Intelligence, IoT, access control, human-computer interaction, and usable security, Dr. Tay and Dr. Goh provided an engaging session on the exciting developments in computer science. Their research and teaching experiences sparked a keen interest in AI and technology among our students.

Day 3: Law Enforcement and Oncology

DSP Nor Azlinda

*Community Policing Officer, Crime Prevention and
Community Safety Department, Royal Malaysia Police
(PDRM)*

With 27 years of experience, DSP Nor Azlinda shared her extensive knowledge and experiences in maintaining community safety and security. Her dedication to public service provided our students with a deep appreciation for the role of law enforcement in society.

Captain Lee Kah Seng and Captain Janet Chuah Sock Lynn

Instructor Pilots, Malaysian Flying Academy

In the afternoon, Captains Lee and Chuah shared their experiences and challenges in becoming pilots. Their journey and dedication to the aviation field were truly inspiring, offering a glimpse into the world of aviation and the perseverance required to succeed.

Dr. Danial Wong Wai Yan

Consultant in Clinical Oncology

Dr. Danial specializes in the non-surgical treatment of breast, lung, and colon cancers using chemotherapy, immunotherapy, and radiotherapy. He shared his journey and the pathways available to become an oncologist, offering valuable insights into the medical field and the impact of oncology.

The Career Day event was a resounding success, providing our students with a wealth of knowledge and inspiration to pursue their future careers. We extend our heartfelt thanks to all our speakers for their time and insights.

Stay tuned for more updates and events at UUMISM International School!
