ISSUE 18 | JULY 2024

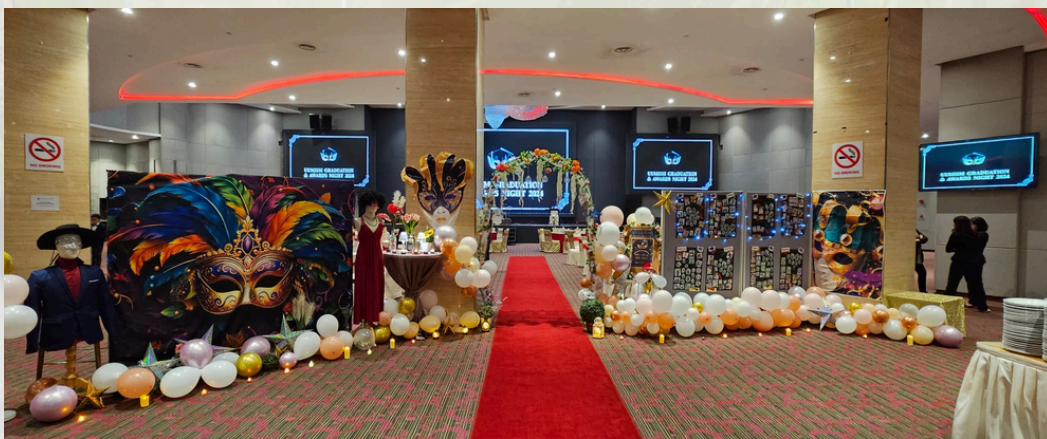

UUMISM's 3rd prom night, themed "Masquerade," was held at the Swiss Garden on July 26, 2024. This event was a celebration not only of the year's graduates but also of **the outstanding achievements of our students in academics and golf.**

Numerous awards were presented throughout the evening, including those for the best checkpoint, best academic achievement, most improved student, perfect attendance, and top performances in golf across various categories. Additionally, the event highlighted the students' talents in drama and dance, both of which were met with great acclaim.

Providing students with a platform like this **helps build their confidence and character, essential for growth both academically and socially.** The highlight of this year's prom was the band performance by the graduate students, which captivated the audience.

This event also served as a wonderful opportunity for students, teachers, staff, parents, and management to come together, fostering a deeper understanding and stronger community bonds.

PARENT TEACHER

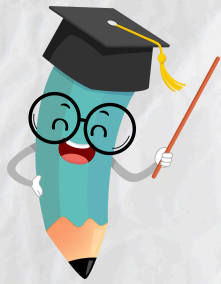

Conference Day!

The Parent-Teacher Conference at UUMISM School held on Monday, June 19, last week created a conducive environment for teachers and parents to engage in meaningful dialogue.

During the conference, teachers shared their observations and suggestions about the students, providing valuable insights into their academic progress and behaviour.

Parents, in turn, had the opportunity to offer their perspectives and suggestions regarding their children's education and well-being. This event fostered a collaborative approach, allowing teachers to address any concerns and celebrate successes with the parents. The conference served as a vital platform for enhancing the partnership between the school and families, ultimately benefiting the students.

Parents showed great cooperation and gave an encouraging response during these meetings, underscoring the importance of this interaction. By working together, teachers and parents ensured a supportive and effective educational experience for the students.

Welcome Our Friends from Shandong, Jinan!!

This month, UUMISM International School had the pleasure of hosting 19 students and 2 teachers from Shandong, Jinan, China. This cultural exchange provided an incredible opportunity for both our students and the visiting Chinese students to learn from each other, celebrate diversity, and forge new friendships.

Special Thanks

We extend our deepest gratitude to the teachers from Shandong, Jinan, who accompanied the students and facilitated this enriching experience. Their dedication and passion greatly contributed to the success of this exchange.

Looking Forward

This cultural exchange has left a lasting impact on all of us at UUMISM International School. We look forward to future opportunities for international collaboration and cultural exchange, which help our students grow into global citizens.
