## **PRINCIPAL SPEECH**

Congratulations to our dear students on your remarkable achievements!

At UUMISM, we couldn't be prouder of the hard work, dedication, and excellence you've demonstrated, and we wholeheartedly wish you continued success in all your future endeavors, knowing that you will carry forward the same spirit of determination and brilliance into everything you pursue.

# STELLAR RESULTS

## IGCSE 2023-2024 CLASS SHINES BRIGHT

We are thrilled to share the outstanding results of our IGCSE 2023-2024 class in this edition of our school e-newsletter. Our students have once again demonstrated exceptional academic prowess, dedication, and resilience in their pursuit of excellence.

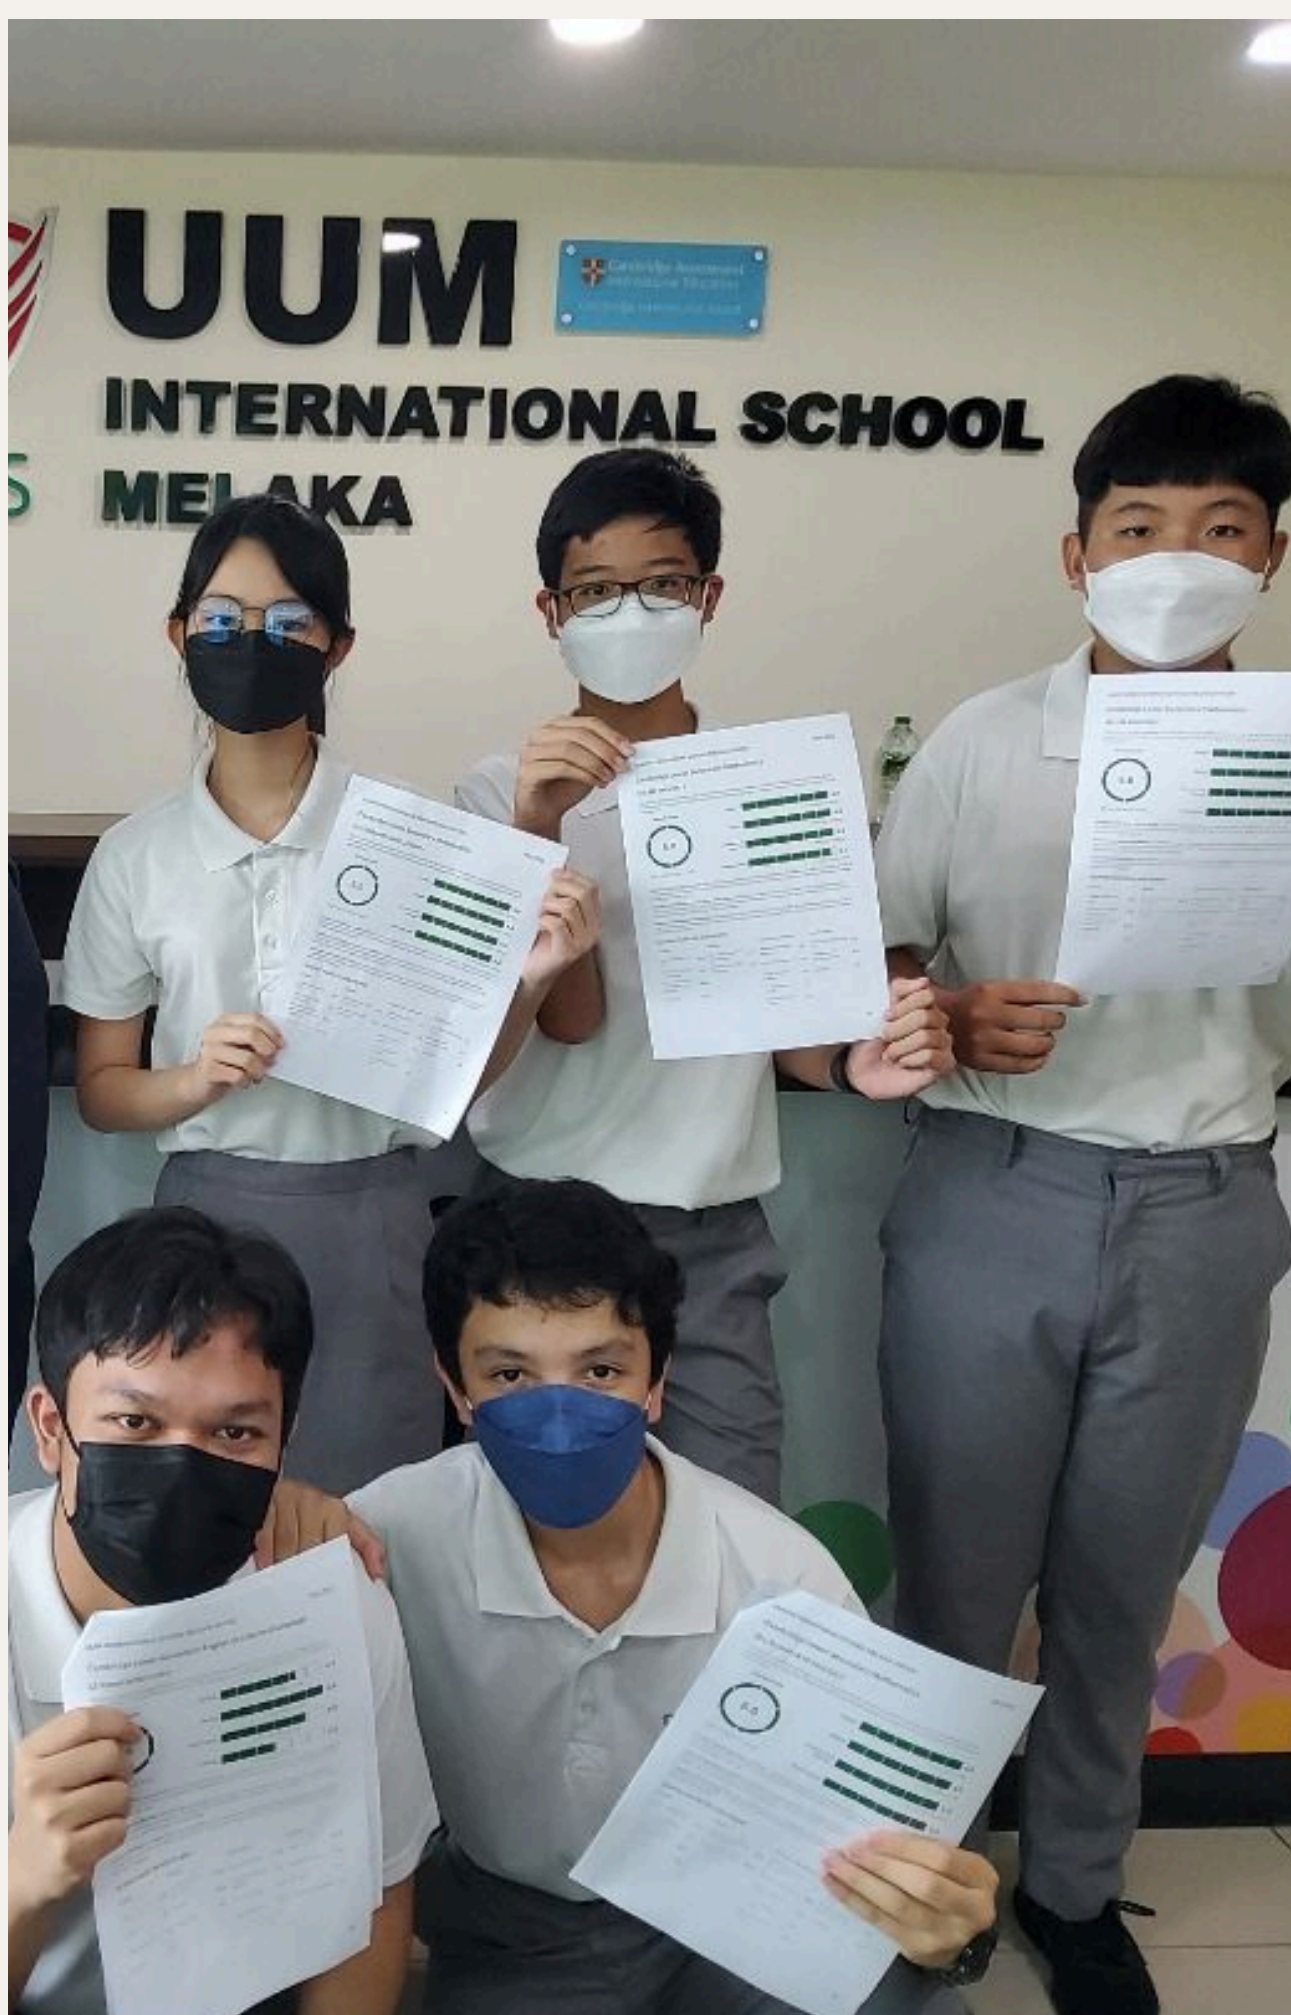

Our students' success is a testament to their commitment and perseverance throughout the challenging IGCSE program. They have shown exceptional **time management skills, balancing their academic responsibilities with extracurricular activities and personal growth.**

The teaching staff's tireless efforts in providing guidance, support, and inspiration have played a crucial role in these achievements. Their expertise and passion for education have created an environment where students can thrive and reach their full potential.

As we celebrate these accomplishments, we also recognize the collective effort of our entire school community. Parents, administrators, and support staff have all contributed to creating a nurturing and stimulating learning environment.

# Our moment

## CONGRATULATIONS ONCE AGAIN TO THE IGCSE CLASS OF 2023-2024

These results not only bring pride to our school but also open doors for our students' future academic and professional endeavors. They serve as a strong foundation for higher education and beyond.

We extend our heartfelt congratulations to all our IGCSE students, their families, and our staff. Your hard work and dedication have truly paid off, setting a high standard for future cohorts to aspire to.

Let us continue to work together, inspire one another, and strive for excellence in all our educational pursuits.

**From August 14-16, 2024, UUMISM's specialised golf team members, Declan Ooi and Teuku Husein, participated in the Taiwan Junior Open Tournament at Miramar Golf and Country Club.**

The Taiwan Junior Open, established in 2011, is an annual national golf championship recognized by Britain's R&A WAGR, the US Junior Golf Scoreboard, and the APJGA Elite Junior Tour. Thanks to GPAT and TIGA's dedication, the tournament attracts talented young golfers from 13 countries, aged 9 to 18, offering them a chance to compete in a world-class event that enhances both their skills and character.

# Upcoming Event

## Get Ready for Our Sports Carnival!

We're excited to announce our upcoming Sports Carnival! With events like track runs, swimming, badminton, golf, and tele-match activities, it's set to be a day full of fun and teamwork.

Students will compete in four house teams—Red, Blue, Green, and Yellow—promoting sportsmanship and unity. We hope everyone enjoys the events, learns valuable lessons, and makes this day a huge success.

Looking forward to seeing everyone in their house colors and cheering on their teams!
