MALAYSIA DAY

Celebration

The Malaysia Day celebration held at UUMISM on 20th September 2024 was a vibrant event filled with patriotism and unity. The day began with the singing of *Negaraku* and the reciting of the Rukun Negara, followed by the students singing *Saya Anak Malaysia* and presenting a Sajak. Dr. Rom, CEO of UUMISM, then delivered an inspiring speech about embracing our diversity as Malaysians. A special performance by Dhanya, Cherry, and Jayden added excitement before the interactive Kahoot quiz.

The celebration continued with a lively catwalk showcasing traditional costumes and concluded with awards for the Best Dressed male and female students. The event successfully highlighted the spirit of unity and cultural pride among the UUMISM community.

A Valuable Experience for Our School

We are delighted to announce that our school recently welcomed a visit from the Ministry of Education. The delegation, comprising 14 members, engaged with our educators to share valuable insights on innovative teaching practices and curriculum development. Their guidance and expertise were greatly appreciated, providing us with fresh perspectives to enhance our educational standards.

We are glad to have had the opportunity to host such a meaningful event and look forward to implementing the feedback received to continue fostering a positive learning environment.

Visit by idp and

DEAKIN UNIVERSITY

On Wednesday, 25 September 2024, representatives from IDP Education and Deakin University visited UUMISM. The three speakers gave our Year 9-11 students a series of enlightening presentations, exposing them to overseas options for further study that they may wish to explore.

Ms. Joellene Sim, an Educational Counsellor from IDP Education, kicked things off with her engaging presentation. In it, she provided an overview of the different ways IDP can support the aspirations of students intending to study at universities in Australia, New Zealand, the UK, Ireland, or Canada.

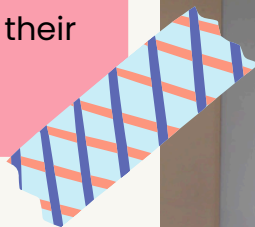

The next presenter was Mr. Edwin Ng, a Partnership and Recruitment representative for Malaysia from Deakin University. He gave an informative talk on Deakin's courses, fees, campuses in Australia, scholarships, student life, and much more.

The final speaker of the trio was Prof. Aaron Russel, an Associate Head of the School of Exercise and Nutrition Science (SENS) at Deakin University. In his fascinating presentation, he discussed the **many careers open to a graduate of SENS, and how these were relevant to individual health, athletic performance, and public policy.** He also highlighted the ways in which a Deakin University degree could benefit fresh graduates seeking employment in Australia and around the world.

The day ended with a stimulating Q&A session, in which UUMISM students who asked questions received prizes from our guests. Our principal, Ms. Roquia, also presented our guests with tokens of appreciation and, after lunch, bade them farewell as they went on their way.

UUMISM Golfers Shine at MSSM Tournament 2024

The Malaysian Schools Sports Council (MSSM) successfully hosted its annual golf tournament from the 16th to the 19th of September 2024 at Kelab Golf Perkhidmatan Awam (KGPA), gathering talented young golfers from across the country. UUM International School Melaka (UUMISM) was proudly represented by two outstanding members of its specialized golf team, Muhammad Danial bin Muhammad Nazari and Declan Ooi, both of whom showcased remarkable skill and dedication throughout the tournament.

In the Under-18 Boys' Team category, the state of Melaka clinched the 1st place championship, marking a proud moment for the UUMISM golf team and their peers. The achievement not only highlights the team's collective effort but also underscores the talent and commitment of both Danial and Declan in representing Melaka on this prestigious platform.

Congratulations to Muhammad Danial, Declan Ooi, and the entire UUMISM specialized golf team for their fantastic accomplishments.

This victory is a testament to their hard work and dedication, and we hope it will inspire them to reach even greater heights in the future.
