# UUM INTERNATIONAL SCHOOL MELAKA

TERM 1 • ACADEMIC YEAR 2024-2025 • ISSUE 21

## PROGRAM IXT X-CHANGE SUMMIT

We are proud to announce that Ethan Lim Zhin Yuan, a talented Year 8 student from UUM International School Melaka, has made us proud by participating in the IxT X-Change Summit, organized by the Association of Young Innovators.

Working alongside his dedicated team, Ethan showcased exceptional skill and creativity, earning a Silver Award at this prestigious event!

## ABOUT THE EVENT

The IxT X-Change Summit took place on 18th October 2024 at the TM Digital Academy, Multimedia University, Cyberjaya.

The summit's mission was to inspire students' passion for STEM, elevate their understanding of emerging technologies, and prepare them for the future of IR 4.0.

Beyond the awards, it was a platform for nurturing innovation and encouraging young minds to become the future leaders and creators of groundbreaking technologies.

## A WARM WELCOME AND CONGRATULATIONS!

We are delighted to extend our congratulations to our two Year 7 students from Thailand for successfully completing their trial classes at UUM International School Melaka this week!

Your participation has brought vibrancy to our school community, and we sincerely hope you had a wonderful and enriching experience. It has been a pleasure having you join us, and we are excited at the prospect of welcoming you back soon!

# STEM CLUB

## DEAR STEM ADVENTURERS,

October has been a month of electrifying experiments in the STEM Club, led by the dynamic duo, Mr. Satya and Ms. Mona! We've been diving deep into the magic of science with two jaw-dropping activities: the whimsical **"Elephant Toothpaste"** and the eye-opening world of electrolysis.

## A Foamy Spectacle: Elephant Toothpaste!

Imagine a giant tube of toothpaste bursting with vibrant colors! That's exactly what we created during our Elephant Toothpaste experiment. By mixing hydrogen peroxide, dish soap, and yeast, we unleashed a foam explosion that not only filled our lab with a dazzling display but also taught us about chemical reactions in real-time.

The rapid breakdown of hydrogen peroxide generated heat and frothy foam that seemed to defy gravity! The students were thrilled, and laughter filled the room as we watched our giant concoction overflow, learning about catalysts and exothermic reactions in a truly unforgettable way.

# BRITISH ARMIES' WEAPONS & TACTICS FROM 1066

In the period around 1066 in Britain, the Battle of Hastings and the Battle of Stamford Bridge took place, and the Anglo-Saxons, Normans, and Vikings used a variety of weapons and military equipment.

This era was a turning point in English history, where the Vikings try to defeat King Harold, then with Norman forces under William the Conqueror defeating the Anglo-Saxon king Harold Godwinson, initiating the Norman Conquest of England.

## YEAR 7: HISTORY CLASS

The weapons of this time were influenced by both Anglo-Saxon and Viking traditions, as well as the advanced military tactics brought by the Normans such as swords, axes, spears, shields bows and arrow, chainmail and helmets, maces and clubs & cavalry and horses.

The Year 7 students has created these weapons and armour to flashback to the era of the battle.

# HIGHLIGHT'S FROM UUMISM'S SPORTS COMPETITIONS

The recent Basketball Tournament was nothing short of a slam dunk! Team B Boys and Girls emerged victorious, bringing home well-deserved wins.

Each player demonstrated exceptional sportsmanship, teamwork, and dedication. We are incredibly proud of their hard work and the unwavering team spirit shown by all participants.

A huge kudos to every student who took part and gave their best!

Here's to many more tournaments filled with fun, competition, and camaraderie.

## BADMINTON COMPETITION ROUND 2

The excitement continued as students returned to the court for Round 2 of our thrilling Badminton Competition. With Round 1 completed on October 9th, the stakes were higher, and the competition more intense. Players gave it their all, displaying remarkable passion, skill, and competitive spirit.

# OCTOBER 2024

## NEWSLETTER

### Upcoming

- **Basketball Competition**  
7 November 2024
- **Deepavali Celebration**  
8 November 2024
- **Swimming Competition**  
11 November 2024
- **Sports Day**  
23 November 2024

### Academic Highlights

Since students spend much of their time at school, a strong reading program is essential to spark learning and support cognitive growth.

The school's reading club, created to foster a reading culture among students, further reinforces this goal.

We provide high-quality reading materials that enrich reading programs and are tailored to each age group
