

UUM INTERNATIONAL SCHOOL MELAKA

TERM 2 · ACADEMIC YEAR 2024-2025 · ISSUE 24

MR DAVID JEONG
-FOUNDER UUMISM-

The 4th Selangor International Junior Golf Championship 2025 officially kicked off from 15th to 18th January 2025, showcasing top junior golfers from across the globe at the prestigious tournament.

This event marks a significant milestone for UUM International School Melaka (UUMISM), as we proudly take on the role of organizer for this internationally recognized championship.

The tournament provides a platform for talented junior golfers to compete at a higher level, fostering growth and development as they prepare to step into the professional golfing arena.

JANUARY 15, 2025, PETALING JAYA

A press conference for the Selangor International Junior Golf Championship 2025 and the PKNS Selangor Masters 2025 was held at Kelab Golf Seri Selangor, graced by the presence of the Honorable Dato' Seri Amirudin bin Shari, Chief Minister of Selangor.

By hosting such an international event, UUMISM is committed to supporting the next generation of golfing champions, enhancing Malaysia's presence on the global golfing stage, and inspiring young talents to aim higher in their journey to excellence.

A Strong Start for UUMISM Golf Team!

During the 4th Selangor International Junior Golf Championship (SIJGC) 2025, our UUMISM Golf Team delivered an impressive performance, showcasing their dedication, teamwork, and competitive spirit.

On the first day of the championship at Seri Selangor Golf Club, our UUMISM Boys' Team displayed outstanding skill on the course, securing an early third-place ranking in the team standings.

Competing against some of the best junior golfers, our players navigated the challenging course with focus and determination.

Keep up the great work, UUMISM Golf Team!

STEM CLUB: THE ADVENTURE CONTINUES!

Since we last checked in with the STEM Club in our 21st issue from Oct 2024, our up-and-coming scientists, technologists, engineers, and mathematicians have been up to all kinds of shenanigans.

The goal of UUMISM's STEM Club has always been to inspire students with the wonders of Mathematics and Science through fun, hands-on activities that excite and enthrall, regardless of whether they are in the Checkpoint or IGCSE syllabus.

To that end, the students have - among other things - fired vortex cannons, launched water bottle rockets, constructed ice-cream stick bridges capable of holding their teacher's laptop, and investigated the magic of π with pizza! Here's to more fun "Oops!" and "Eureka!" moments for our STEM-ers in the future. 😊

The UUMISM Golf Team delivered an outstanding performance at the 4th Selangor International Junior Golf Championship 2025, securing **a Top 7 finish out of 19 competing teams**. Held at Seri Selangor Golf Club, the championship brought together some of the most talented junior golfers from across the region, making it a highly competitive event.

Throughout the tournament, our players demonstrated exceptional skill, resilience, and teamwork, going head-to-head with top junior golfers in a challenging course setup. Their dedication and commitment to excellence were evident in every round, reflecting the strength of UUMISM's specialised golf team.

UUMISM GOLF TEAM SECURES TOP 7 FINISH AT THE 4TH SELANGOR INTERNATIONAL JUNIOR GOLF CHAMPIONSHIP 2025

A big congratulations to the team and coaches for this impressive result! We look forward to seeing more success stories from our UUMISM Golf Team.
