Teachers' Day Celebration: A Day of Joy and Gratitude

On Friday, 16 May, UUMISM held its very first Teachers' Day celebration, filled with appreciation, laughter, and heartfelt moments. Students and staff came together to honour the dedication and hard work of their teachers in the most delightful ways.

Throughout the morning, students attended classes as usual, but with an air of excitement. As a gesture of gratitude, students from all year groups presented their teachers with thoughtful gifts, expressing their admiration for their mentors.

The real festivities began during the lunch break when the Year 8 students hosted a lively class party. Having ordered a feast of delicious food, they extended warm invitations to all teachers, creating an atmosphere of joy and camaraderie. The fun didn't stop there: Following the meal, the Year 8 students challenged the teachers to a thrilling scavenger hunt.

With cleverly placed clues hidden across their classroom and common areas, teachers had a blast hunting for hints and uncovering surprises

Meanwhile, as the teachers enjoyed their scavenger hunt adventure, performers rehearsed diligently to perfect their acts.

At the same time, the school's administrative and marketing staff worked behind the scenes to set up the grand event at the Ayer Keroh Country Club (AKCC) Hall, ensuring everything was picture-perfect.

At 1:00 pm, the entire school community gathered at the AKCC Hall for the main stage of the celebration. **The event was graced by the presence of our founders Mr David and Madam Michelle, UUMISM CEO Dr Rom, and Dato KC Yeoh. Teachers were welcomed with warm smiles and presented with roses—a small token of appreciation for their unwavering commitment.** The event opened with a video masterfully created by Year 10 student Jeremiah Foo Jia Ler from the ICT Club.

Featuring interviews with students from every class, it captured touching anecdotes and expressions of gratitude for the teachers.

The subsequent entertainment lineup was a blast! First up, the Robotics Club delighted the audience with a performance in which their robots danced onstage. The Year 7 students followed with a melodiously sung song, enchanting everyone in attendance. Laughter soon echoed through the hall as the Year 9 students delivered a hilarious skit, humorously portraying the everyday challenges teachers face in the classroom.

Finally, everyone present participated in a Kahoot quiz created by the Year 8s about members of the school community.

The celebration concluded with a cake-cutting ceremony. Teachers, students, and staff indulged in delicious cake, marking the perfect sweet ending to a day of love, respect, and appreciation.

Here's to many more celebrations in the future!

CELEBRATING EXCELLENCE: UUMISM GOLF STUDENT CROWNED CHAMPION

Congratulations to Anis Dylan Sinno, our Specialised Golf Student, for being crowned **Overall Champion at the 1st Leg of the SportExcel Malaysian Junior Golf Tour 2025**, held at Tiara Melaka Golf & Country Club.

Anis impressed with **scores of 71, 70, and 72, finishing 3 under par (-3)**. A remarkable achievement that reflects her dedication and talent. We also extend our sincere thanks to Head Coach Mr. David, Pro Syakir Adli, and Coach Mus for their outstanding guidance and support.

Well done, Anis. You've made UUMISM proud!

EXPLORING INNOVATION IN EDUCATION: CAMBRIDGE ORIENTATION DAY

Two of our teachers recently attended the Cambridge Orientation Day in Johor, an engaging event focused on innovative approaches to teaching, learning, and assessment.

Key highlights included insights on active learning, data-driven teaching, and Cambridge's digital platforms.

Speakers from Cambridge International shared updates on curriculum development, including the upcoming fixed timetable for Checkpoint Exams starting in 2026, and emphasized preparing students for a changing world through values, skills, and global perspectives

The event also explored Cambridge's learner attributes and practical tools to support higher-order thinking and independent learning.

Our teachers returned inspired and equipped with fresh ideas to enrich their classroom practice.
