## 1 Raya Vibes @ UUMISM 2026

## 2 Plastic Awareness Talk by MUCM

## 3 UUMISM at SportExcel 2026

# RAYA VIBES @ UUMISM 2026

The UUMISM Raya Celebration 2026 was a vibrant and memorable celebration filled with joy, laughter, and festive spirit. Held on 7th April 2026, the event began with an energetic opening ceremony, followed by engaging presentations on the meaning and symbols of Raya. Exciting dance performances and the fun-filled Unscramble Kuih Raya Challenge kept everyone entertained throughout the morning.

The excitement continued as students unleashed their creativity through the Eco-Raya Chic Couture recycled fashion show and the colourful Raya Batik Splash art competition. These activities showcased confidence, teamwork, imagination, and a wonderful appreciation of Malaysian culture and sustainability.

The celebration ended on a high note with a lively catwalk presentation, artwork showcase, prize-giving ceremony, and a delicious lunch shared together. Overall, the event was a fantastic success that brought the UUMISM community closer and truly captured the spirit of Hari Raya.

Our Year 7 and Macy confidently took on the role of emcees, guided and supported by our teacher, Mr. Satya During our Hari Raya Celebration.

Our students proudly dressed in beautiful Hari Raya cultural attire, celebrating diversity, unity, and the vibrant spirit of our school community.

Students were fully engaged in their batik colouring activity, adding vibrant colours as part of our Hari Raya celebration.

# PLASTIC AWARENESS TALK BY MUCM

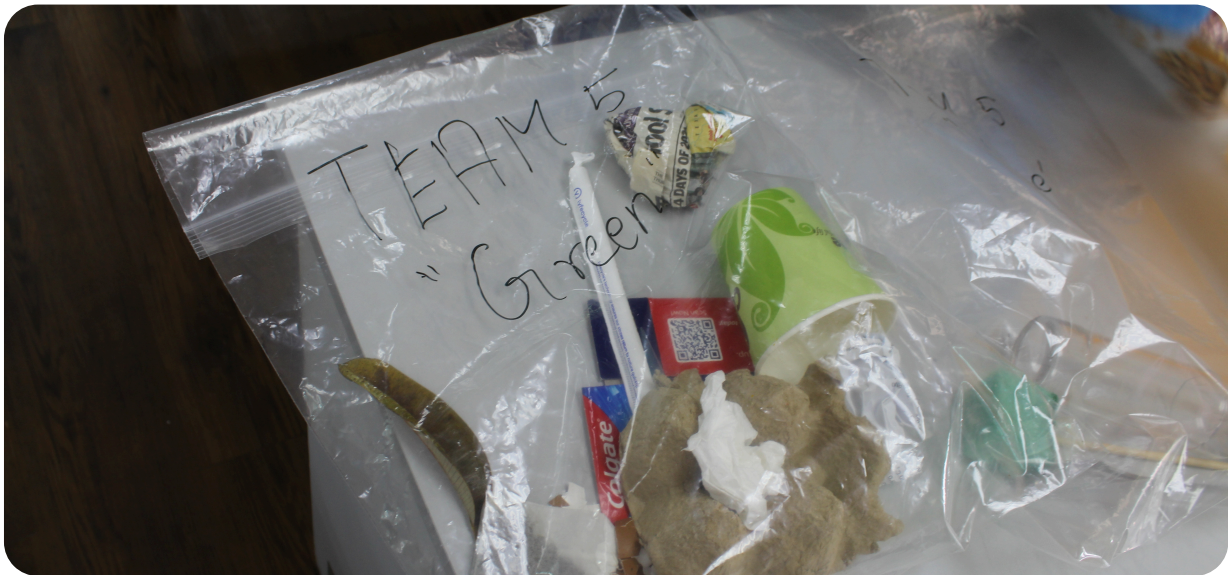

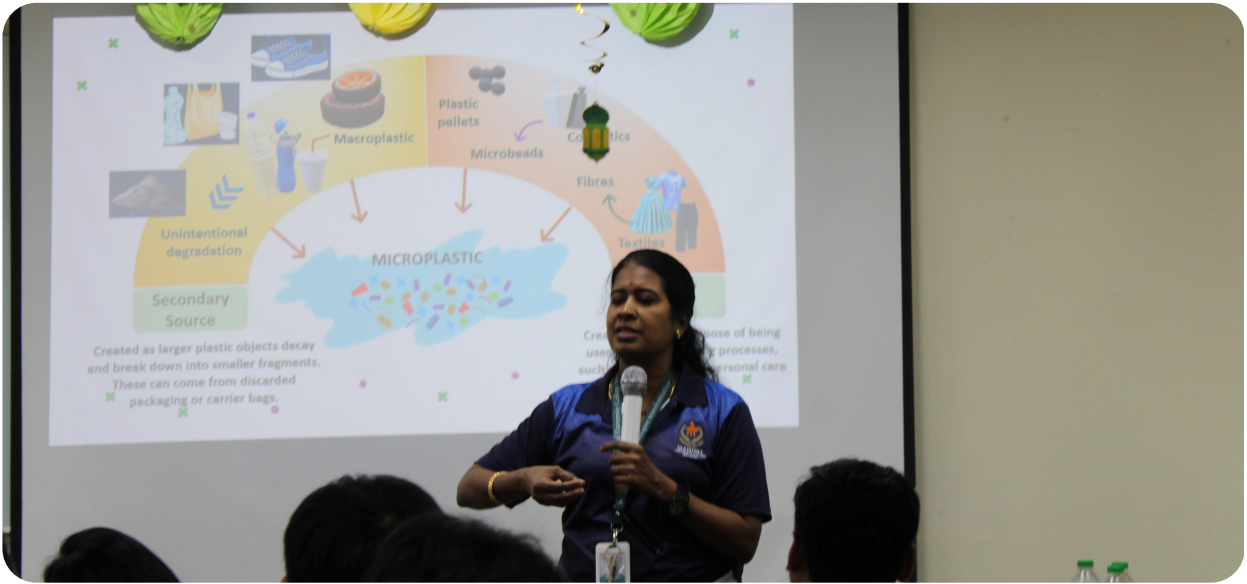

UUMISM Students Join Plastic Awareness Session by MUCM

UUM International Secondary School Melaka recently welcomed representatives from Manipal University College Malaysia for a meaningful Plastic Awareness Talk with our students.

The session aimed to increase students' understanding of plastic pollution, plastic usage, and the importance of making responsible daily choices. Students began the programme by completing a short survey about plastic awareness before joining an informative talk led by MUCM speakers.

To make the session more interactive, students also participated in a mini sorting activity using coloured bags to identify and separate different plastic materials. This hands-on activity helped students better understand the importance of proper waste management.

UUMISM appreciates MUCM for sharing valuable knowledge with our students and encouraging them to become more environmentally aware and responsible.

# UUMISM AT SPORTEXCEL 2026

UUMISM Connects with Parents and Young Golfers at SportExcel 2026

UUM International School Melaka participated in SportExcel 2026 at A'Famosa, Melaka, to introduce the school's Cambridge IGCSE pathway and Specialised Golf Programme to parents and young golfers.

The UUMISM booth was set up from 10:00 a.m. to 4:00 p.m., with brochures, flyers, merchandise, and an updated school presentation prepared for visitors. Many parents showed interest and asked about school fees, subjects, accommodation, golf training, and school tour arrangements.

The event provided a valuable opportunity for UUMISM to strengthen its presence within the junior golf community and connect with families looking for both academic and sports development pathways.

Overall, SportExcel 2026 was a meaningful platform for UUMISM to increase brand awareness and showcase its unique Cambridge and golf education pathway.
