1 UUMISM Maths Booster Programme

2 ✨ UUMISM HOLLYWOOD NIGHT 2026

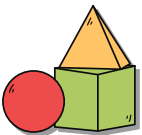

3 Celebrating Excellence and Growth at UUMISM

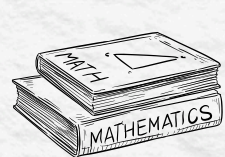

UUMISM MATHS BOOSTER PROGRAMME WELCOMES YOUNG LEARNERS TO SECONDARY-LEVEL THINKING

On Tuesday, 4 August 2026, UUM International School Melaka hosted its Mathematics Booster Programme, a full-day enrichment event designed to spark curiosity and strengthen early secondary Mathematical literacy among young learners. Running from 9.00 am to 3.30 pm, the programme brought together 10 enthusiastic students aged 10 to 14, all eager to explore new concepts and build confidence in their transition from primary to secondary school.

The initiative served a dual purpose: to equip pre-secondary students with foundational skills that will support them in future Cambridge Lower Secondary Mathematics, and to raise awareness among parents and the wider Melaka school community about UUMISM's commitment to high-quality, forward-looking education.

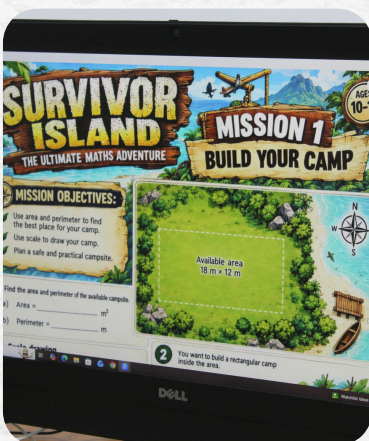

Throughout the day, participants engaged in a lively mix of activities that blended fun with meaningful learning. Icebreaker games helped students warm up and collaborate, while a series of Maths-based challenges encouraged them to apply reasoning and problem-solving skills. Technology-enhanced tasks added a modern twist, and more traditional worksheets provided structured practice in key areas such as fractions, unit conversion, and an introduction to algebra through solving balanced equations.

To keep motivation high, students collected points as they completed each activity. At the end of the programme, those with the highest scores received prizes in recognition of their effort and perseverance. All participants were also awarded certificates of participation, celebrating their commitment to learning and their readiness to take on new academic challenges.

The Mathematics Booster Programme reflects UUMISM's ongoing dedication to nurturing confident, capable learners and strengthening ties with families and the broader Melaka education community. With strong engagement and positive feedback from students, the school looks forward to offering more enrichment opportunities in the months ahead.

✨ UUMISM HOLLYWOOD NIGHT 2026

Lights, glamour and celebration filled the evening at UUMISM Hollywood Night 2026, held on 31 July 2026! The memorable event celebrated our graduates' achievements, dedication and growth throughout their educational journey at UUM International Secondary School Melaka (UUMISM). With its exciting Hollywood theme, the evening created a special atmosphere for students to celebrate their milestones, cherish wonderful memories and look forward to new beginnings.

One of the highlights was the Graduate Awards Ceremony, which honoured our graduates as they completed an important chapter of their lives. The evening also featured inspiring graduate speeches, allowing students to reflect on their experiences and express their appreciation. The Academic and Sports Awards further recognised students' commitment, perseverance and accomplishments, celebrating their talents and efforts both inside and outside the classroom.

UUMISM Hollywood Night 2026 was more than a glamorous celebration; it was a tribute to hard work, determination and the pursuit of excellence. The event concluded with heartfelt congratulations and best wishes to all graduates and award recipients as they embark on exciting new journeys. UUMISM is proud of their achievements and wishes them every success in the future. May they continue to shine brightly, embrace new challenges and pursue their dreams with confidence!

CELEBRATING EXCELLENCE AND GROWTH AT UUMISM

At UUM International Secondary School Melaka, we believe that every achievement deserves to be recognised.

Whether it is outstanding academic performance, personal improvement, examination success or excellence in sports, each accomplishment reflects the dedication, perseverance and determination of our students.

During the recent Graduation and Awards Night, UUMISM proudly celebrated students who demonstrated exceptional progress and achievement throughout the academic year. These awards recognise not only excellent results but also the positive attitude, discipline and continuous effort shown by our students.

Most Improved Student Award

The Most Improved Student Award recognises students who have demonstrated significant growth in their learning and personal development. These students have shown determination, resilience and a strong willingness to improve.

Congratulations to:

Year 7: Macy Tan Yu Hui

Year 8: Marissa Sofea Binti Noor Azmi

Year 9: Muhammad Izaan Imtiaz Brohi

Year 10: Adrian Hafeez Teh Bin Jeffri Teh

Their progress is a reminder that success is not only measured by results, but also by the courage to overcome challenges, learn from experience and keep moving forward.

Best Academic Award

The Best Academic Award celebrates students who have demonstrated excellent academic performance, consistency and commitment to their studies throughout the year.

Congratulations to:

- Year 7: Hailey Tay Ya Xing
- Year 8: Jiareet Kaur A/P Swaran Singh
- Year 9: Ong Ker Xin
- Year 10: Cherry Aung

Their achievements reflect strong discipline, focus and a genuine dedication to learning. They have set an inspiring example for their fellow students and shown what can be accomplished through consistent effort.

Best Checkpoint Award

A special congratulations goes to Ethan Lim Zhin Yuan, recipient of the Best Checkpoint Award.

Outstanding Golf Achievement Award

UUMISM is also proud to recognise Declan Ooi Ean Yui and Anis Dylan Sinno as recipients of the Outstanding Golf Achievement Award.

Both students have demonstrated remarkable discipline, commitment and excellence in competitive golf.

Their achievements, including recognition in the World Amateur Golf Ranking and representing Melaka at SUKMA 2026, are a proud milestone for the students, their families and the entire UUMISM community.

Their success reflects the many hours of training, perseverance and determination required to compete at a high level while continuing to manage their academic responsibilities.

Every award represents a unique journey of effort, growth and determination. Behind these achievements are the continuous encouragement and guidance provided by teachers, coaches and families.

UUMISM extends its heartfelt congratulations to all award recipients. We are incredibly proud of your accomplishments and the positive example you have set for others.

May these achievements inspire every student to continue learning, improving and pursuing their goals with confidence. Keep striving for excellence and continue making UUMISM proud!
